TFTCC is a 501(c)(3) non-profit youth development organization that uses the game of golf as a platform to build character, instill life skills and improve healthy outcomes for young people ages 5-18 in Santa Barbara and San Luis Obispo counties.

We do this by teaching participants core values like integrity, sportsmanship respect and confidence in the context of the game of golf. Participants also learn life skills like goal setting, interpersonal skills and self-management as well as healthy habits for the body and mind.

TFT is a transformational experience that develops personal character and leadership skills that participants carry with them through out their lives. Today we are reaching over 50,000 youth on the Central Coast.
