Central Coast Junior Golf, Inc. organized as a 501©(3) not-for-profit organization in September of 1999 and began doing business as The First Tee Central Coast in October 2002. The organization was created to become a First Tee Chapter and bring the Life Skills Experience to communities in San Luis Obispo and Santa Barbara counties.

The First Tee organization provides affordable access to golf and strives to instill in young people life enhancing values such as honesty, integrity, sportsmanship, and respect. The idea is to offer opportunities for improvement in the quality of life and create a platform where children can increase their potential for success.

The World Golf Foundation recognized the need for this type of educational youth organization when The First Tee was announced in November 1997. Since its inception, The First Tee has had the active support of five of the world's leading golf organizations – the United States Golf Association, PGA Tour, LPGA Tour, PGA of America, and Augusta National Golf Club. Additionally, The First Tee has garnered the unprecedented support of the golf industry including cities and counties that have donated land for the purpose of creating First Tee golf-learning facilities.

First Tee - Central Coast has a bright and exciting future. The impact of First Tee is assured because of the extraordinary commitment of the Chapter volunteers and staff combined with the local businesses and political leaders in each community who have embraced the First Tee.

First Tee - Central Coast is currently serving over 4,000 young people in after school programming at fifteen locations. River Oaks Golf Course and Hunter Ranch in Paso Robles, SB Golf Club in Santa Barbara, Santa Maria CC in Santa Maria, Laguna Lakes and Dairy Creek in San Luis Obispo, Morro Bay GC in Morro Bay, Sea Pines Golf Resort in Los Osos, Blacklake Golf Resort and Monarch Dunes in Nipomo, and La Purisima Golf Course, The Mission Club and Vandenberg SFB in Lompoc, Alisal River Course and Los Prietos in Santa Ynez and Saticoy Regional GC in Ventura.

We are also supporting the First Tee Schools Program, which takes our life skills into the elementary schools. We are doing programming in Carpinteria, Santa Barbara, Goleta, Santa Ynez, Orcutt, and Lucia Mar school districts. We are serving over 25,000 young people in these schools.
