Building Game Changers

Please join us in our efforts to help raise funds for Central Coast kids that wouldn't ordinarily be exposed to the game of golf & it's core values.

First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. Our work at First Tee is not only about improving your game...it's about strengthening what you bring to everything you do.

In 2022, First Tee - Central Coast chapter directly impacted **31,819** kids in our community!! We couldn't do this without the help from our amazing sponsors and donors!!
