## Building Game Changers

through junior golf programs

First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. Integrated golf & life skills curriculum builds inner strength, self confidence and resilience that kids carry to everything they do.

In 2023, First Tee - Central Coast chapter directly impacted **30,225** kids in our community!! We couldn't do this without the help from our amazing sponsors and donors!!
