

## **Class Postponement Policy:**

Your weekly class may be postponed due to various reasons, including inclement weather. If this happens, Your Lead Coach will reschedule another class with the make-up date to be determined.

Due to coach travel time and class set-up logistics, your coach will make a "Go" or "No Go" decision a minimum of two (2) hours before scheduled class time. At that time, the following actions will be taken.

- 1. Participant families will be notified by email and or Text if class is "Go" or "No Go".**
- 2. The Golf Course will be contacted with our decision, so you may contact them 2 hours before scheduled class time. (please don't call the course earlier than that). If possible please reach out to your Lead Coach or our staff before calling the proshop.**

*Note: The cancellation of any class is not an easy decision to make. Our coaches make their decisions based on the best interest of the participants and the facility. Thank you for understanding.* (Given the fact that weather conditions can change fast, we may not always make the correct decision, but I can assure you it is made with the best intentions)
