## Building Game Changers

through junior golf programs

Please join us in our efforts to help raise funds for Central Coast kids who might not otherwise get exposed to golf and the life lessons of the game.

First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. Integrated golf & life skills curriculum builds inner strength, self confidence and resilience that kids carry to everything they do.

In 2025, First Tee – Central Coast chapter directly impacted **29,429** kids in our community!!
