Thank you for supporting the First Tee–Central Coast!

Central Coast Junior Golf, Inc. organized as a 501(c)(3) not-for-profit organization in September of 1999 and began doing business as First Tee – Central Coast in October 2002. The organization was created to become a First Tee Chapter and bring the Life Skills Experience to communities in San Luis Obispo, Santa Barbara and northern Ventura counties.

The World Golf Foundation recognized the need for this type of educational youth organization when First Tee was announced in November 1997. Since its inception, First Tee has had the active support of five of the world's leading golf organizations – the United States Golf Association, PGA Tour, LPGA Tour, PGA of America, and Augusta National Golf Club.

First Tee – Central Coast is one of 150 First Tee chapters across the U.S. and select international locations. First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence and resilience that kids can carry to everything they do.

First Tee – Central Coast is currently serving over 2,000 young people annually in after school programming at fourteen locations. River Oaks Golf Course and Hunter Ranch Golf Course in Paso Robles, SB Golf Club in Santa Barbara, Glen Annie Golf Course in Goleta, Santa Maria CC in Santa Maria, Laguna Lakes and Dairy Creek in San Luis Obispo, Sea Pines Golf Resort in Los Osos, Morro Bay Golf Course in Morro Bay, Blacklake Golf Resort and Monarch Dunes in Nipomo, La Purisima Golf Course and The Mission Club in Lompoc and Vandenberg SFB (www.firstteecentralcoast.org)

First Tee – Central Coast partners with local elementary schools to bring First Tee curriculum to elementary school PE classes. Through safe, fun activities, kids are learning the basic golf skills, values and healthy habits in a classroom setting. We are currently doing our school programming in Carpinteria, Santa Barbara, Hope, Goleta, Santa Ynez, Orcutt, Santa Maria, and Lucia Mar school districts. We are serving over 20,000 young people each year in these schools.

In addition, First Tee – Central Coast has curriculum specifically designed for the afterschool/youth-serving space (YMCA's, Girls Inc, Boys and Girls Club, etc.). The First Tee Community Program gives kids the chance to learn about golf and develop character through fun golf games.

Organizations, businesses and individuals interested in becoming part of First Tee – Central Coast are encouraged to contact:
